Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Thomas Hobbes This brief sketch has throughout been written directly from the original text of Hobbes himself and his contemporary biographers, though use has, of course, been made, especially in the first chapter, of the labours of such modern students as Professor Croom Robertson, Professor F. Tonnies, and Sir Leslie Stephen. The verbal quotations from Hobbes s works are given from the following editions: (1) Elements of Philosophy, (Concerning Body), London, 1656; (2) Human Nature and De Coipore Politico, from the third edition of Hobbes s Tripos, London, 1864; (3) Leviathan, from the reprint of the first edition in the series of Cambridge English Classics, 1904, which has been carefully compared with my own copy of the edition of 1651, (apparently one of the inferior issue). The spelling of these editions has been preserved, but the punctuation modified in accord with present-day usage. Allusions to the Latin texts of (1) and (3) are based on the edition of Hobbes s Opera Philosophica published by Blaeuw of Amsterdam in 1668. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
