The farm system has and always will be the life blood to the Cleveland Indians organization. Over the past few seasons they have managed to put together a very deep, talented farm system thanks to a good run of recent drafts and trades. With the development of these players and a little luck they appear to have a core of good young players to build around for the future in the hopes that they can get back into contention in the very near future. This book serves as the perfect companion to follow the Cleveland Indians as they embark on another year of development and take another step toward their ultimate goal of winning a World Series. In this book you will find: - Detailed and updated scouting reports and tool grades for the Cleveland Indians Top 100 prospects. - An additional 70 scouting reports on other players in the system including reports on their Top 15 Latin prospects coming stateside in 2011 and reports for every player from the 2010 Draft. - Detailed payroll information and roster outlook for the next seven years. - Projected opening day rosters from Cleveland to Single-A Lake County. - 2010 transactions and released payer listing and 2011-2014 Rule 5 Draft outlook. - Full 2011 minor league spring training schedule and complete 2011 schedules for all affiliates. - Career stats including college and winter ball, and over 100 player photos. - 2011 coaching staffs, affiliate information, best tools listing, and more! Whether you are diehard follower of the minor leagues or a casual fan of the big league team, this book has something for everyone. It is the most complete and...
