Brand New Book ***** Print on Demand *****.Classic fantasy novel of love and reincarnation. In the novel, Haggard's 47th out of an eventual 58, the reader encounters the young Godfrey Knight, the son of a puritanical parson, who lives in the Essex countryside. From childhood on, he and his neighbor, Isobel Blake, the daughter of a wealthy, boorish shipping magnate, have been strangely drawn to one another, although their natures are wholly dissimilar. Whereas Godfrey is a dreamer who dwells on matters both metaphysical and astronomical, Isobel is a hardheaded materialist who disbelieves all that she cannot prove and see, pooh-poohing Godfrey's talk of reincarnation and such sundry matters. The two are separated at age 17, when Godfrey is sent to Switzerland by his father to learn French and to remove him from Isobel's irreligious influence. Once in Lucerne, Godfrey meets a dying benefactress and falls afoul of a group of spiritualists (the head spiritualist, Madame Riennes, whom Haggard depicts as a sort of Madame Blavatsky type, will remain Godfrey's nemesis throughout this longish story). Later, he returns to Essex and declares his love for Isobel but is separated from her once again by military service, a lengthy stay in India, and the travails of World War 1. Ultimately, despite their fathers' many attempts to keep them apart, the two DO unite in holy matrimony, but unfortunately, their earthly happiness is a short-lived one. But, as the author makes abundantly clear, their reunion in the realm of the afterlife will surely be a glorious one.
