By Jim Cotter, Paul Payton

Cairns Publications. Hardback. Book Condition: new. BRAND NEW, Out of the Silence. Into the Silence: Prayer's Daily Round, Jim Cotter, Paul Payton, A complete resource for daily prayer, this volume has helped countless people develop a simple pattern of daily prayer based on a classic monastic structure and using striking contemporary language. Each outline provides for about 15 minutes of prayer, which can be extended by silence and reflection. For each day, there is an invocation, psalm, Gospel reading, the Lord's Prayer, followed by prayers that lead into the rest of the day. It can be said in a group or read privately and includes thematic variations for each day of the week and each season of the Christian year. It features Jim Cotter's arresting and beautiful paraphrases of the Psalms which draw out their meaning for today's world and its needs. Beautifully produced in two colour printing and with a ribbon marker, music for each of the 150 Psalm responses is provided by the composer Paul Payton.

Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
