Alphascript Publishing. Taschenbuch. Book Condition: Neu. Neuware - Kij ng-dong (sometimes romanized as Gijeong-dong) is a village in Panmun-gun,[citation needed] North Korea, situated in the north half of the Korean Demilitarized Zone (DMZ). Also known in North Korea as Peace Village,[it has been widely referred to as Propaganda Village by those outside North Korea. Kij ng-dong is one of two villages permitted to remain in the 4-kilometer-wide (2.5 mi) DMZ under the 1953 armistice suspending the Korean War; the other is the South Korean village of Taeseong-dong, 1.8 kilometers (1.1 mi) away. The official position of the North Korean government is that the village contains a 200- family collective farm, serviced by a childcare center, kindergarten, primary and secondary schools, and a hospital. However, observation from the south suggests that the town is actually an uninhabited Potemkin village built at great expense in the 1950s in a propaganda effort to encourage South Korean defection and to house the PRK soldiers manning the extensive network of artillery positions, fortifications and underground marshalling bunkers that abut the border zone. 208 pp. Englisch.
