Top Shelf Productions. Paperback. Book Condition: new. BRAND NEW, The League of Extraordinary Gentleman: Volume 3: Century: 2009, Kevin O'Neill, Alan Moore, In Chapter Three, the narrative draws to its cataclysmic close in London 2008. The magical child whose ominous coming has been foretold for the past hundred years has now been born and has grown up to claim his dreadful heritage. His promised aeon of unending terror can commence, the world can now be ended starting with North London, and there is no League, extraordinary or otherwise, that now stands in his way. The bitter, intractable war of attrition in Q'umar crawls bloodily to its fifth year, away in Kashmir a Sikh terrorist with a now-nuclear-armed submarine wages a holy war against Islam that might push the whole world into atomic holocaust, and in a London mental institution there's a patient who insists that she has all the answers.
