Random House USA Inc, United States, 1998. Paperback. Book Condition: New. Pbk.. 226 x 150 mm. Language: English . Brand New Book. Why does a clean-living person get sick, while a more obvious candidate stays healthy? Why does someone with a fatal illness suddenly become well, while another with a more benign condition dies? In workshops and in daily life I saw that, rather than working to get...
