In the Guts Of Health Care: What s Wrong with Our Present Health Care and How We Can Implement and Afford Universal Coverage Through a Single Payer System? (Paperback)

By Fouad B. Michael

AUTHORHOUSE, United States, 2004. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Ask Americans what concerns them most, and the answer invariably will be the cost and quality of their health care. That is, if they have coverage at all. And yet, aside from short-lived effort on behalf of universal health care by Hillary Clinton during the beginning of the Clinton administration, the average American has no idea what can be done. Though there have been numerous publications on health care reform over the last few years, most have been academically oriented, targeted to a professional audience, and too technical and confusing for the average person. Dr. Fouad Michael, a hugely successful physician, who retired at the peak of his career to work for health care reform, outlines clearly and concisely how our present system of health care operates, the reasons it doesn t work, and the best possible solution. This book speaks to the reader on a level and in language that he or she can understand. Dr. Michael brings a unique perspective to the problem with his bicultural knowledge, having worked in two different types of medical care...

Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
-- Prof. Adell Lubowitz

This composed pdf is great. This can be for all those who statte that there was not a well worth looking at. I am just happy to explain how this is actually the finest pdf we have go through inside my own daily life and could be he greatest publication for ever.
