SCOPE MANAGEMENT IN E-GOVERNMENT IN TRANSITION ECONOMIES

AV Akademikerverlag Sep 2014, 2014. Taschenbuch. Book Condition: Neu. 220x150x6 mm. Neuware - E-government is becoming an enabler for better government through cost-effective and efficient service delivery, and can become a useful tool for effective governance, public administration, and public sector transformation. However, e-government projects are noted for many failures due to several reasons. These include inadequate planning, poor project management, lack of top management support, lack of stakeholder involvement, scope creep, etc. Based on the project management literature, as...
