

## Fundamental Concepts and Skills for Nursing, 4e

By Susan C. deWit

Saunders. Paperback. Book Condition: New. Paperback. 960 pages. Dimensions: 10.8in. x 8.5in. x 1.4in. Part of the popular LPN Threads series, this market-leading text features an easy-to-follow writing style and organization to teach you the concepts and skills you need to know to practice nursing in a variety of care settings. This new edition offers in-depth discussion of QSEN competencies, rationales for the NCLEX-PN review questions, and new icons to point out the most current evidence-based information. Standard LPN Threads features include helpful characteristics such as full-color design, key terms, numbered objectives, key points, critical thinking questions, critical thinking activities, glossary, and references. Easy-to-follow reading level and text organization presents information from simple to most complex. Think Critically boxes help you synthesize information and apply concepts beyond the scope of the chapter. Cultural Considerations related to biocultural variations as well as health promotion for specific ethnic groups demonstrate how to provide culturally competent care. Elder Care Points highlight changes that occur with aging and how they affect nursing care. Home Care boxes highlight the necessary adaptations of nursing skills and techniques for the patient in the home care setting. NEW! Rationales for NCLEX review questions at the end of each chapter help you understand why...
