2015. Paperback. Book Condition: New. 279 x 216 mm.

Language: English . Brand New Book \*\*\*\*\* Print on Demand

\*\*\*\*\*.116 Pages / 220 Illustrations Why is it that so many people

are in so much debt at the same time? Does it seem strange to you that no matter how hard one works, and in spite of all the

advances in society, most hard working people cannot escape the treadmill of perpetual debt? Why are so many families

losing their homes to foreclosure? Why are so many

households dependent upon credit cards to supplement their

income? Why does it take TWO working spouses to maintain a

middle class lifestyle when it used to take just one? Why are so

many young people still living at home with their parents? Why

do prices always creep up? Why, in spite of continued

economic growth, are living standards actually falling? \* You

know in your gut that something isn't right in this world. But

you don't have the Economics education to figure it out. It all

seems too complicated for you to put your finger on, so you

just keep slaving away to pay interest...
