

## The Marriage of Near Kin: Considered with Respect to the Laws of Nations, the Results of Biology (Classic Reprint) (Paperback)

By Alfred Henry Huth

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Marriage of Near Kin: Considered With Respect to the Laws of Nations, the Results of Biology Though many writers have treated on the subject of consanguineous marriage, from many points of view, no one has hitherto come forward with a generalization of their work, which lies scattered and buried in a mass of pamphlets and periodical literature, difficult to hear of, difficult to find, and requiring considerable time and thought to digest. The consequence has been that people have been unable to judge of the relative value of the various observations they may read or make, and from a want of the necessary perspective are liable to draw wholly wrong and sometimes ridiculous conclusions. In this work the author has endeavoured to gather together everything of importance that has been written upon the subject; to arrange and classify it, to weigh the evidence on either side, to reject what is worthless, and point out the value of what remains. In this investigation he has attempted to divest himself of all prejudice, whether of tradition...
