Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

Brand New Book ***** Print on Demand *****.This novel is a satirical look at my life and I have never written for a porn site. There are four parts to this 160-page book, which are The Rehearsal (trying to figure out my life and men), The Performance (a story in two perspectives about a transgender guy being interviewed), The Reviews, and Pornography (amusing selection of commentary and reviews of media products). I write just a little soft porn for humor, but mostly it s about why my satirical drag queen narrator started writing erotica. People who enjoy satire aimed at men/women relationships, conventional people, and the porn industry may love this novel. It s for adults and young adults. I selected reviews written in the past when I was paid to review books, movies, and music on for 14 years. Some examples of reviews are Lady Chatterley s Lover, Flesh and the Devil, Zombie Strippers, Anais Nin s Henry and June, and American Gigolo. I end with a more serious Epilogue and Author s Last Words to help readers understand the real discrimination faced by nonconforming people.
