Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Resumption of Specie Payments: Notes of a Conference Between the Committee on Banking and Currency of the House of Representatives and the Hon. John Sherman, Secretary of the Treasury, April 1st and 4th, 1878 February, 1877, was \$11, 936, 771, after making the same deductions as were made in the table given to the Finance Committee, on page 4. This table (Appendix No.2) contrasting with that table will show the condition of the Treasury as to gold and silver then and on the 1 st of February of this year. The amount a year ago was \$11, 938, 771, and the amount on the 1 st of February this year was \$71, 775, 860, making the increase of gold and silver available between the 1 st of February, 1878 and the 1st of February, 1877, \$59, 839, 089. This statement (handing it to the committee) will give you the amount in silver coin, in silver bullion, in gold coin, c. There was another fact which I thought the committee would desire to have in this connection....

### Reviews

*I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*It is great and fantastic. Better than never, though I am quite late in starting reading this one. It has been written in an extremely simple way and is particularly only right after I finished reading this ebook where it actually changed me, affected the way I really believe.*
