Pub Date :2002-12-01 Pages: 233 Publisher: Guangxi Normal University Press title: psychological and educational research data processing technology education and psychological scientific research library of original price: 30.00 yuan Author: Yi-Ping Wei ed Publisher: Guangxi Normal University Press Publication Date :2002-12-1 ISBN: 9787563337644 Words: 307.000 yards: 233 Edition: 1 Binding: Paperback: Editor's executive summary it is a psychological and educational research utility book people desire. the prominent features and advantages: it is not a general surveying and statistical books. Research data processing is inseparable from knowledge of measurement science. statistics. and it emphasizes the statistical applications. It does not emphasize how the measurement process. not stress how statistical methods or formulas deduction. but according to the purpose. content and type of psychological and educational data processing. based on the processing and interpretation of research data to help researchers to form conclusions. complex is calculated. the process is handed over to the computer processing. It is not an ordinary computer software books. The general calculation software book content. according to the characteristics of the software used. details the use of the software. a variety of functions. the purpose is to make the user able to fully understand and use the various functions of the software to the software instructions. 3. Based on service to most researchers. Book readers object to is the lack of professional psychological measurement. educational statistics and educational evaluation knowledge and quantitative research researchers need of psychological and educational problems. Note that the introduction of new technology applications. For general psychological and educational research. the formula's complexity and to calculate the amount of heavy. complex processing applications difficult to promote. In this book. in addition to common...
