Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Souvenir Guide to Coney Island: With Map and Illustrations Ph nix like from the flames which swept away the unsightly and tawdry booths and sheds of former days a marvelous city of magnificent pleasure palaces has arisen upon the sandy beach which forms New York City s ocean boundary, and what was once a dreary waste of vulgar shows has now become the greatest popular resort in the world, the daily recreation ground of the great population of the metropolis and the objective point of millions of visitors from every part of the country. To attain this end millions of money have been lavishly spent in the building and adornment of immense pleasure grounds, one of which alone contains more attractions than the whole of the Coney Island of former days. Inside these great amusement gardens are found theatres, ball rooms, restaurants, aerial railways, roller coasters and elaborate amusements of almost every description. There are lakes and bridges, inviting nooks where tired pleasure seekers may rest undisturbed, Itahonies from which to watch the passing crowds and a thousand other refinements of detail which have their part in the making of a harmonious whole. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
