After the Earth is covered in thousands of years of accumulated garbage the humans require help. Aliens tell a homeless man he is actually their long lost emperor and offer him a kingdom. A robot refuses to stop complaining. The humans are disappearing until there's no one left except the cats. A man living on a non-linear timeline tries to figure it out until he meets a woman just like him. In the future happiness is a law. Negative thinkers are forced to wear a Happiness Helmet. An evil mad scientist fails to make robots that will do what he wants. In the future prospective parents must get a baby license and take care of a baby simulator. A 125 pound weakling is given a muscle growing potion by a dying alien. Humans install their brains inside robots, so they can be immortal, but two get confused. A man drinks rocket fuel and mates with an alien, creating his evil twin. A creature goes in search of a legendary structure and has a moment of truth. Creatures...
