

## Homer

Filesize: 6.94 MB

### Reviews

*This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

I.B.Tauris & Co Ltd. Paperback. Book Condition: new. BRAND NEW, Homer, Jonathan S. Burgess, What reader could fail to be enthralled by the Iliad and the Odyssey, those greatest heroic epics of antiquity? Yet the author of those immortal text remains, in the end, an enigma. The central paradox of 'Homer' is that- while recognized as producing poetry of incomparable genius- even in the ancien world nobody knew who he was. As a result, the myth-maker became the subject of myth. For the satirist Lucian (c.125-180 CE) he ws a captive Babylonian. Other traditions have Homer born in Smyrna, or on the island of Chios, or portray him as a blind and wandering minstrel. In his new and authoritative introduction, Jonathan S. Burgess addresses fundamental questions of provenance and authorship. Besides conveying why these epics have been cherished down the ages, he discusses their historical sources and the possible impact on the Iliad and Odyssey of Indo-European, Near Eastern and folktale influences. Tracing their transmission through the ancient, medieval and modern periods, the author further examines questions of theory and reception.
