Author Charleda Greene shares with children what the rescue lady learns from animals about God s supernatural world. The Shine Stories are about the light in all living things, including animals. The Shine inside of us is Christ, and God is the magic. These light-hearted short stories for kids are true stories of rescued pets, with a magical flare of spirituality added to them through Fatema, a rescued puppy. These short stories will teach children to be guided by the spirit within them and let it light their way. The stories also give tips on how to care for pets, and help children realize pets have light in them also.
