Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Notes of a Twelve Years Voyage of Discovery: In the First Six Books of the Eneis 1. The Medicean; in the Laurenian Library in Florence; examined by me personally only with respect to En. Iv. 436. In all other places I have quoted this MS. from Foggini s fac-simile. The MS. itself is in a state of perfect preservation, except that the ink has become very pale, and that, besides wanting the first Eclogues, it wants also one leaf of the Eneis; happily this leaf is preserved in the Vatican Library in Rome, where I saw it in the year 1850. 2. The oldest Gudian; preserved in the Bibliotheca Guelferbytana at Wolfenbuttel. This MS. is numbered on the back 70, and is so quoted by Heyne. It is numbered 903 in Ebert s Catal. Biblioth. Guelferb. I have never seen any MS. so full of alterations and corrections; often, as I think, for the worse. It is difficult to read, and the interlineal and marginal glosses still more difficult, frequently impossible. It does not so generally agree with the Medicean as has been supposed. Both it and the Medicean have been greatly overrated by Nicholas Heinsius, Heyne, and Wagner. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
