An alpha empath, Danyael Sabre has survived abominations and super soldiers, terrorists and assassins, but he cannot survive his failing body. He wants only to live out his final days in peace, but life and the woman he loves, the assassin Zara Itani, have other plans for him. Galahad, the perfect human being created by Pioneer Labs, is branded an international threat, and Danyael is appointed his jury, judge, and executioner. Danyael alone believes that Galahad can be the salvation that the world needs, but is the empath blinded by the fact that Galahad shares his genes, and the hope that there is something of him in Galahad? In a desperate race against time and his own dying body, Danyael struggles to find fragments of good in the perfect human being, and comes to the wrenching realization that his greatest battle will be a battle for the heart of the man who hates him. **INTERVIEW WITH THE AUTHOR** - So, what makes the Double Helix series special? - The Double Helix is a series premised upon the creation of the perfect human being, Galahad, but it is ultimately about his less-than-perfect physical template, Danyael Sabre, and the power, strength, and beauty found in humanity's imperfections. Ultimately, what makes the Double Helix series special are its characters. You will fall in love with them. The series offers readers a great mix of science fiction, fantasy, and action-adventure genres. It is also grounded in science. Fiction is a great deal closer to reality than most people realize, and the societal pressures and dilemmas faced by Danyael and Galahad are imminent. The fast-paced action will have you turning pages, while the plot layers on...
