Brand New Book ***** Print on Demand *****.I must say that it s quite unbelievable for me to see how many efforts the media are doing nowadays to brainwash people into accepting the Chinese values as the best in the world. It s also very surprising to notice that now almost every movie and TV series finds a reason to either talk or show China on the screens. However, I decided to be more specific about my point of view, and that s the reason why this book was written.
